**Dear Parent**

**“Health and Sickness is from Allah. So we should believe on Allah.”**

It is indeed important for children to **offer prayer timely**, follow a healthy routine of taking nutritious food, regular sleep and physical exercise. Avoid junk food and cold drinks.

In the view of critical situation of corona virus, it is advised to keep all students at home. As Al-Barakah School cares for holistic development of our students, we want to keep them safe and healthy while academically engaged. Keeping this in mind, we have developed a booklet **“Home Assignment”** to keep them busy at home by utilizing time effectively.

The tasks have been selected according to ability of students, but **they will certainly need your supervision and guidance. But most of it can be easily done by the students themselves. Your encouragement is required to enable students to read their books and attempt the given tasks by them. Making mistakes is also the part of learning.**

In this situation there are two main issues for school as well as for parents: one is to cover the syllabus another one is to engage our students. This is also a golden opportunity to overcome weakness like poor handwriting, spelling or mathematical & science concepts.

**The submission date of this assignment is 8-April-2020 (Wednesday).**

**On the submission of this assignment, you will be given a test relating to the course covered during the week. Parents will take that test at home.**

**We will also take a short viva of students to check the performance.**

**May Allah keep us all in His hifz o Amaan.**

Thanks and best regards
